## After-school childcare

Dear Parents and Carers,

We are considering whether there is sufficient demand to extend our after-school childcare provision on Fridays.

Currently, Atlas provides after-school care from Monday to Thursday. We would like to gauge interest in both our existing provision and the possibility of offering a Friday session.

Please could all families complete the short Google questionnaire, whether or not you currently use after-school care. Responses from all families will help us build an accurate picture of demand across the school. We would be grateful if you could complete the questionnaire by Monday 21st September.

Yours faithfully
