Club Information

Little Philosophers Club - A fun and engaging club where children explore stories, ask big questions and share their ideas. Through discussion, games and creative activities, children will develop confidence, communication skills and curiosity about the world around them. There are no right or wrong answers, just lots of opportunities to think, wonder and learn together! "Thinking, talking and wondering together."

Rugby Club - At Rugby Club, pupils will enjoy learning key rugby skills, including passing, tackling techniques and teamwork. Sessions will be active, engaging and focused on developing fitness, confidence and a love of sport

Mindful Colouring Club - A calm and creative club where children can relax, enjoy colouring and listen to peaceful music. A lovely opportunity to slow down, be creative, and have some quiet time.

Comic Books & Graphic Novels - Children will enjoy and access a variety of comics and graphic novels. We will gain inspiration from authors and practice drawing different characters. Children will have the

opportunity to have a go at writing and illustrating their own comic strip based on a character of their choice
