What a fantastic week it has been at Isbourne Valley! The highlight has undoubtedly been our two whole-school performances on Wednesday afternoon and Thursday evening. The children have worked incredibly hard over the past few weeks learning songs, practising lines and perfecting their performances, and I could not be prouder of them.

With temperatures soaring this week, the children showed remarkable resilience and determination, performing brilliantly despite the heat. Their enthusiasm, confidence and enjoyment shone through in every performance. I would also like to thank our dedicated staff team, whose hard work behind the scenes helped bring everything together. Productions like this require a huge amount of time and effort, and we are very grateful for all they do. We hope parents also enjoyed seeing some of our recent additions to the hall. The new chairs, lighting and sound system have made a tremendous difference and helped create a professional feel for the performances. These improvements have been funded through the incredible efforts of FIVS, whose fundraising work continues to have a significant impact on the experiences we can offer our children. We are extremely grateful for their dedication and support.

Talking of fundraising, our biggest fundraising event of the year takes place this Saturday at Stanway House. If you have not already signed up to help, please do consider volunteering. Whether you can spare the whole day or just an hour or two, every bit of help makes a real difference and is hugely appreciated.
