

ISBOURNE VALLEY NEWS

Friday 10th October 2025

It's been another exciting week of culture at Isbourne Valley School! We were thrilled to welcome Michael Bochmann from Water City Music, who has been working with Windrush and Evenlode classes to prepare for their upcoming concert at Northleach Church with Orchestra Pro Anima. The children have been singing beautifully and are looking forward to performing soon.

Today, our school transformed into a slice of Spain! From flamenco-inspired dancing to colourful crafts, the children immersed themselves in Spanish culture. The tapas tasting was a hit—some pupils couldn't get enough, while others were a little more cautious with their choices. Didbrook became Madridbrook!

Windrush class also impressed us at Forest School with their construction skills, building imaginative zoos, dens, and even a duck hide! Their creativity knows no bounds. Meanwhile, Avon class showcased their practical talents by crafting fantastic pencil holders from logs—true woodland artistry!
