It's been a scorcher this week! A huge congratulations to all our pupils for their fantastic performances of *Wind in the Willows* this week, ignoring the furnace like conditions! The whole school came together to bring the story to life with such energy, talent, and teamwork — we couldn't be prouder!

Today, school reports have been sent home via e-mail. If you have any questions or would like to discuss anything, please contact the school office next week to arrange a time to chat.

Tomorrow is our biggest fundraiser of the year — the Stanway Fete! Thank you so much to everyone who has baked cakes, donated items, and volunteered to help. It's not too late to get involved, and we'd love to see as many of you there as possible.

On Tuesday morning, Windrush Class will be sharing their class assembly — we're looking forward to seeing many of you there to support them.

Wednesday will be a bittersweet day as we celebrate our wonderful Year 6 pupils during our Leavers' Assembly. We'll then all head off together for our whole school trip to Cattle Country on Thursday, a well-deserved celebration for all! A huge thank you to The Friends of Isbourne Valley for generously covering the cost of the trip. This makes all of the hard work at events like Stanway Fete so worthwhile.

Have a lovely weekend, and see you at the fete!
