

ISBOURNE VALLEY NEWS

Friday 12 September 2025

Evenlode Class enjoyed a brilliant day at the Gloucestershire Warwickshire Steam Railway in Winchcombe, where they were transported back to the 1940s to experience life as evacuees. The immersive trip gave pupils a real sense of what life was like in Britain in 1940 and has sparked their enthusiasm! We have seen some super extended writing already!

Coln Class have been enjoying their lunchtime routines with Evenlode Class who have shown exceptional kindness and responsibility in their roles as buddies. Their care and support have helped our youngest children settle in beautifully.

Windrush Class made the most of the weather earlier in the week, beating the rain to build some impressive shelters during their outdoor learning. Their teamwork made the dreamwork!

Meanwhile, Avon Class thoroughly enjoyed their first Forest School session by creating imaginative superheroes using only the materials around them. They looked superb and the children were rightly proud of them.

We're looking forward to welcoming you to our upcoming '**Meet the Teacher**' session after school on **Wednesday**. This is a great opportunity to hear more about the year ahead and ask any questions. If you're unable to attend, don't worry, we'll be publishing the presentation on each class' website page.

¡No te dejes llevar por el viento este fin de semana!
