What a week! We've experienced all types of weather - sunshine, showers, and everything in between. However, the children have embraced it all with their usual enthusiasm and energy.

Let's hope Mother Nature decides to be kind to us tonight as our amazing athletes head to the Prince of Wales Stadium to compete. I always feel so proud watching them take on different schools and their dedication and determination these children show never disappoints.

During their Forest School session this week Evenlode Class showed some super balancing skills on the slack line. Meanwhile, Coln Class made the most of their 'indoor' Forest School experience when the weather intervened. It's great to see their adaptability!

It was lovely to see so many of you at our Marvellous Monday this week. I do hope those of you who stayed on for the open classrooms found the session useful and gained some valuable insights into your child's next steps.

Looking ahead, we're really looking forward to welcome our new reception class to the Isbourne Valley family on Monday afternoon. They'll be joining us for a Come and Play session - what exciting times lie ahead.
