First up this week we had a splash of creativity with our art day. Thanks to a super local artist and funding from the Cotswolds Arts Through Schools programme, our children have been painting birds using a variety of different techniques. You can check out some of their masterpieces on our Instagram page <https://www.instagram.com/isbournevalleyschool/> and @cotswolds_arts_through_schools.

We've also had first aid training for all classes. From CPR to slings and dealing with minor cuts and bruises, our children are becoming quite the little lifesavers! It's great to see them engaged in learning such important skills.

Thursday was all about capturing smiles as we had our school photographs. I must say, our children looked really smart and ready for their close-ups!

Looking ahead, we have our Marvellous Monday on 17th March at 2:50pm. It's a perfect opportunity to see what the children have been up to in class.

We're celebrating Red Nose Day a bit early on Thursday 20th, and just a reminder that school will be closed to children on Friday 21st for our INSET day.

For all you bargain hunters out there, don't forget the **Big FIVS Jumble Sale tomorrow, Saturday 15th March**, starting at 2:00pm. Pop along and see what treasures you can find!
