It has certainly felt like we have experienced all four seasons in one day this week, with sunshine, hail and strong winds all making an appearance. Despite the ever-changing weather, it has been another busy week across the school.

On Monday, Windrush Class had the exciting opportunity to join an online webinar with author Kieran Larwood. The children thoroughly enjoyed hearing from a real author, and it has already inspired some excellent writing in class.

Avon and Coln Class continued to build on their musical skills during another energetic samba session. Their sense of rhythm and confidence is clearly growing, and the sound of drumming once again brought great energy to the school.

Evenlode Class have thoroughly enjoyed creating Dracula traps using sensor pads, bringing their learning about electricity to life through a fun and hands-on investigation. Definitely worth a look at the “shocking” pictures on Instagram!

A huge well done must go to our Year 6 pupils, who have completed their SATs this week. They have worked incredibly hard and approached the week with resilience and determination. We are very proud of everything they have achieved.

This afternoon, they will have the chance to relax and celebrate with a trip to Hollywood Bowl. It is safe to say there is a great deal of excitement, and we are all looking forward to it.
