

ISBOURNE VALLEY NEWS

Friday 19 September 2025

Thank you to everyone who attended our Meet the Teacher session on Wednesday. It was lovely to see so many of you in school. For those of you unable to attend the presentation materials are now available on our class pages of the school website. We are looking forward to seeing many of you next Wednesday, 24th September at our curriculum session, where we'll be exploring how you can support your child's learning at home and introducing our exciting new learning platform, Emile.

Creativity has been shining in our classrooms recently. Our children were enthusiastic and attentive during their art workshops with our guest artist from Cotswold Art Through Schools, Charlotte Stoneham. The results were spectacular - fabulous fish prints and beautiful butterflies and beetles!

Next week promises to be equally exciting. On Monday, we have another super opportunity with a visit from Oxford Opera who will be leading workshops across the school. Our infant children will enjoy an introduction to opera, while our juniors will dive into 'Tamino's Adventure' - a wonderful chance to explore music and performance.

Don't forget - school photographs will be taken on Wednesday, 24th September. Let's see the children in their smartest school uniform and ready to smile!
