We began the week by welcoming you all into school for our Parent-Teacher Meetings on Monday and Tuesday. It was wonderful to see so many of you, and we hope you found the conversations as positive and useful as we did. The partnership makes such a difference to the children's learning.

On Wednesday, Evenlode Class enjoyed a brilliantly sunny afternoon outdoors, hunting for bugs and discovering all sorts of mini-beasts. Their enthusiasm for exploring the natural world was infectious!

Thursday was an especially exciting day for several classes. Coln Class had a fantastic Forest School session, learning all about the fire triangle before putting their knowledge into action. They cooked fruit parcels and chocolate brioche over the campfire, a delicious and memorable experience.

Evenlode and Windrush were also out and about on Thursday, visiting *We the Curious* and stepping into the incredible 3D Planetarium. The children were absolutely captivated by the immersive space experience, and their curiosity and questions afterwards showed just how inspiring the trip had been.

And now, as I write this on Friday morning, the school is buzzing with colour and excitement for **Red Nose Day**. The children have arrived full of smiles, ready to support a brilliant cause. Meanwhile, our netball team have been giving a superb account of themselves, competing confidently against much older and larger opposition. We are incredibly proud of their determination and team spirit.

A busy week all round.

Disfruta del fin de semana soleado!
