It is hard to believe that we only have half a term to go, and there is still so much to look forward to before the summer break. The pace of school life certainly does not slow down at this time of year.

Unfortunately, it was a real shame to cancel the Stanway Rounders event on Wednesday due to the weather, as the children were very much looking forward to it. Let's hope for more favourable conditions for our upcoming cricket and athletics fixtures.

Windrush Class were able to make the most of their time outdoors at Forest School and thoroughly enjoyed their session. From building and constructing to enjoying s'mores and developing their balance on the slackline, it was super to see them enjoying their session.

Avon Class were fortunate to enjoy some sunshine today in their Forest School session and made pizzas and had fun with bubbles!

As we look ahead, the weather forecast promises something a little more settled, and we hope everyone is able to enjoy the sunshine over the coming days. Whether you are staying local or heading away for a short break, we hope it is a relaxing and enjoyable time for all.

We look forward to welcoming everyone back to school on 1st June, refreshed and ready for the busy final half term of the year.
