This week has brought some exceptionally warm weather, and I would like to thank all parents for their support and understanding as we have made a number of adjustments to ensure the safety and wellbeing of the children. The staff team have adapted plans carefully in response to the heat, and the children themselves have been absolutely superb. They have taken the changes in their stride, shown great resilience and maturity, and simply got on with their learning with a positive attitude throughout.

Unfortunately, the Gloucestershire Cricket Board did have to make the difficult decision to cancel Tuesday's cricket tournament. We know this was disappointing for many of the children; however, the temperatures were simply too high for safe participation.

Looking ahead, we are very much looking forward to welcoming our new Reception parents on Wednesday 1st July. This is always a special opportunity to begin building relationships and introduce new families to life at our school.

Next week, we will also be hosting our Headteacher interviews on Monday and Tuesday. We are looking forward to welcoming the candidates into school and giving them the opportunity to experience a little bit of life at Isbourne Valley.

Thank you again for your support this week.

Hace más calor que en España esta semana!
