The term is absolutely flying by now – only three more weeks left and so much to fit in! Where on earth has the time gone?

What a fantastic success our rounders event turned out to be. A massive thank you to FIVS for putting on such a super BBQ – I can personally vouch for both the burgers and the sausages, they were absolutely delicious! The standard of rounders on show was truly impressive too. Well done to our brilliant Isbourne Invaders who topped the league as champions of the inter-school competition. The finale was something special as well – watching our crack Evenlode outfit take on the parent and staff team. Despite a tremendous effort (and quite a bit of huffing and puffing!) from the parent and staff team, Evenlode came out on top with an 8 to 5½ victory. What a match!

Next week brings more exciting transitions as we have more Year 6 move-up days scheduled at Winchcombe School and Cotswold School, following on from this week's visit to Chipping Campden School. It's wonderful to see the children taking these important steps towards their secondary school journey.

We're also delighted to welcome back our September 2025 reception class for another Come and Play session on Wednesday. It's always a delight seeing the children getting familiar with their new school environment.

Disfrtua del sol!
