Friday 28 February 2025

What an amazing performance by our choir at Young Voices in Birmingham last night. They joined thousands of other children singing their hearts out in a huge arena. There were lots of unforgettable moments. We are so proud of the children, how they took such a massive event in their strides, how they embodied our school, how they supported each other and how enthusiastically they participated. A huge well done to them all from me! I hope they are truly proud of themselves. A big thank you to Mr Webber, Miss Turley and Mr Keen for looking after the children. I'm sure everyone will be sleeping well this weekend.

If you'd like to see some highlights of the concert head over to *isbournevalleyschool* on Instagram, our new social media platform.

A few reminders, we have Miss Turley's netball club start on Monday afterschool as well as World Book Day on Thursday and the final school disco of the year on Friday (don't forget to buy your ticket!!)

Mr Godding

Headteacher

All updated policies are available on the website or from the school office on request

Resilience Heroes

Coln - Bradley for showing resilience when faced with a challenge

Avon - Lorenzo for showing great resilience when coming into school in the mornings

Windrush - Wilf for showing super resilience in his first week back after half term

Evenlode - Isabel for modelling and explaining resilience when supporting younger children this week

Awards

Headteacher's Award this week goes to **The Young Voices Choir** for a super performance

Bronze cards awarded to **Seffi, Ralph** and **Quinn**

Our Stars of the Week are:

- * **Hallie** in **Coln** for showing courage to try new things
- * **Ralph** in **Avon** for being brilliant at identifying and classifying animals in Science
- * **Charlotte** in **Windrush** for showing great perseverance this week
- * **Issac** in **Evenlode** for some great work in maths on fractions, decimals and percentages

Well done to everyone for their awards!
