Isn't it wonderful to see the sun shining so brightly? Our children have been soaking up the rays during lunchtime on the field. It's a joy to watch, but please remember those all-important sun hats and sun cream to keep them protected from those UV rays!

Speaking of outdoor adventures, both Avon and Windrush classes have been making the most of this glorious weather during their forest school sessions. It's been a whirlwind of creativity and fun! Windrush had fun embracing their inner Romans with a construction afternoon. Meanwhile, Avon put their engineering skills to the test, crafting waterproof structures. And what better way to test them than with a refreshing water fight? I'm not sure who enjoyed it more - the children or the staff!

Looking ahead, our Key Stage 2 children have their upcoming visit to the Sculpture Garden next Friday. It promises to be an super morning out, filled with art, nature, and hopefully, more sunshine!

¡Que tengáis un súper día festivo y nos vemos el martes!
