This week's Forest School sessions had its usual wide variety of activities. Avon Class thoroughly enjoyed making pizzas – you could smell the delicious aromas wafting through the trees! Meanwhile, Windrush Class got their hands dirty with construction, clay, and more mallets than you can shake a stick at.

The Wow Wednesday on Wednesday certainly had a Wow factor! It was super to see so many of you joining us - I think it might have been our busiest yet! Your enthusiasm and support are really appreciated by all of us at the school.

There's more than a little excitement for our Look Who's Talking winners: Sammy, Harrison, and Tilly. They'll be showcasing their talents at the district heats over the next couple of weeks. We are very proud of them and wish them luck.

Next week, we're getting ready for our Bedtime Story Evening as part of National Storytelling Week. We will have our favourite stories shared around a crackling campfire after school on Wednesday. Fingers crossed for the weather!

Evenlode have an exciting and practical Tuesday with a super STEM morning. They'll be exploring 'The Power to Drive', diving into the world of energy and electricity. We are looking to spark the interest of our future scientists or engineers.

Have a super weekend!
