

ISBOURNE VALLEY NEWS

Friday 3 October 2025

We have had Harvest Celebrations and Autumn Adventures this week at Isbourne Valley.

We were thrilled to be able to celebrate our Harvest Festival with you at St George's Church today. The children sang beautifully, filling the church with warmth and joy. Their adaptability shone through when the technology took a brief pause - nothing could stop their enthusiasm!

A huge thank you to everyone who joined us and supported this special event. I know the North Cotswold Foodbank will appreciate your generous donations.

Wednesday, Windrush Class embraced the changing season with a super Forest School session. The children became tree detectives, spotting and identifying a variety of species including oak, alder, hawthorn, and silver birch. Their curiosity and teamwork were fantastic to see, and they showed great care and respect for the natural environment. Meanwhile, Avon Class enjoyed a deliciously autumnal experience. They picked apples and pears and made their own hot chocolate, which was a big hit!

¡Estamos esperando con ilusión nuestro día de español el próximo viernes!
