Thank you so much to everyone who helped with the jumble sale last week. We are absolutely delighted to share that an incredible **£800** was raised. This fantastic amount will go towards helping refresh and revamping the books in all of our class libraries, ensuring the children have an inspiring and high-quality selection to enjoy.

The super weather this week has meant lots of outdoor activities across the school. Our cricket sessions have been in full swing, with the children enjoying the chance to develop their skills in the sunshine. Evenlode had a brilliant time in Forest School, where they designed and built obstacle courses for their furry woodland friends, imagination and teamwork at their best. Over in Coln Class, bug hunting brought plenty of excitement when the children discovered an enormous worm. For a moment, Chris wondered if it might even have been a slow worm! It certainly caused a stir and added some extra adventure to their outdoor learning.

There is a real buzz around school today as the children get ready for the after-school disco. Energy levels are high and the anticipation is building, we're hoping to see some shapes being thrown later (not just from Mr Webber!) It promises to be a fun way to end the week, and we're looking forward to a great evening.

On Monday we welcome Miss Bowler to the team. Please do give her a warm welcome when you visit the office.
