Another busy week at Isbourne Valley saw Windrush class wielding bow saws and bill hooks with care and precision at Forest School. Every single child has crafted their very own working mallet - keep an eye out for these coming home next week! Avon class braved the frosty air for their Forest School session yesterday. Despite the chilly temperatures, their spirits were high, and they had a wonderful time making marble runs and obstacle courses. Evenlode class sparked their curiosity with an 'electrifying' STEM session on power and electricity. They not only absorbed heaps of knowledge but also had a super time building and testing electric cars.

Our Forest School Storytime session was a roaring success! We were thrilled to see so many children join us around the campfire, sharing our favourite tales under the canopy of trees. The weather even played nice, keeping us dry throughout. We're already counting down to our next storytime in the summer term!

A big round of applause for our 'Look Who's Talking' stars. Sammy from Key Stage 1 and Tilly from upper Key Stage 2 wowed everyone with their oracy presentations at the district finals. We couldn't be prouder of their confidence and eloquence. Next week will see Harrison gearing up for his lower Key Stage 2 district final. Good luck Harrison.
