**Friday 7 March 2025**

It's been lovely to see the sun shining, and we've been making the most of it and we even enjoyed our lunch outside! It's been a real treat to soak up some rays and feel the warmth on our faces.

World Book Day was an absolute delight. Our children snuggled up for some cosy reading time, sharing their favourite stories and characters. It was super to see their enthusiasm as they dove into magical worlds and exciting adventures. The staff enjoyed it too!

Evenlode class had a marvellous nature walk to Hailes on Wednesday. They explored the great outdoors, breathing in the fresh air and discovering the wonders of our local area. Meanwhile, Coln class had fun making different methods of transport and playing hide and seek during Forest School yesterday. There was excitement as they searched high and low, uncovering hidden gems among the trees!

Looking ahead, we've got some exciting events coming up. On Monday, we'll be unleashing our inner Picassos and Van Goghs for our school art day. Get ready for a splash of colour and a whole lot of creativity! And on Wednesday, all of the children will be learning some essential life skills with a professional first aid training session.

Anyway, I'm off to get my glad rags on ready to dance the night away (well early evening) at the school disco. See you all on Monday!
