It was lovely to see so many of you at our Meet the Teacher sessions this week. We hope you found them helpful and enjoyed the opportunity to find out more about life in your child's class. For those who were unable to attend, the presentations are now available on the class pages of the school website.

It was also fantastic to see so many children from Beech House showing off their house colours today. A splash of yellow certainly helped brighten up an otherwise grey day!

The children have thoroughly enjoyed the start of our extra-curricular clubs this week. Whether taking part in Rugby, exploring big ideas in Little Philosophers, getting creative with Lego and cartoons or developing mindfulness through drawing, there has been something for everyone. It has been wonderful to see such enthusiasm and engagement across the range of activities on offer.

Finally, a reminder that the FIVS meeting takes place on Monday evening. We would love to see as many parents as possible involved. If you are unable to attend in person, there will also be the opportunity to join online.

The sunshine seems to have disappeared and the rain has certainly arrived! Please remember to send children to school with a coat, as the weather is becoming increasingly unpredictable.

Have a wonderful weekend. Let's hope for at least a little sunshine before Monday! 🌂 ☀️
